Sub: Extension of project commissioning timeline of 100 MWp project sanctioned to MEDA

Sir,

This refers request of MEDA for extension for completion of balance 68.5 MWp capacity out of 100 MWp capacity sanctioned to MEDA vide Ministry's sanction no. 03/106/2015-16/GCRT dated 03.08.2016 for implementation of RTS projects in the state of Maharashtra under Grid Connected Rooftop and Small Solar Power Plants Programme.

2. As requested by MEDA the extension has been granted up to 31.03.2018 for completion of the balance capacity of 68.5 MWp subject to fulfilment of following conditions:

- (a) MEDA shall submit online project completion reports on SPIN portal immediately after completion of project timeline.
- (b) The extension is specifically for residential/institutional/social sector beneficiaries and government sector beneficiaries shall not be included in the project.
- (c) The settlement of the project would be done on the basis of MNRE benchmark cost/ tender cost, whichever is lower.
- (d) Other terms and conditions of the original sanction letter remain unchanged.

3. This issues with the approval of competent authority.
