

General Terms & Condition for SRRA data

I. General Guidelines

1. NIWE is responsible for operation and maintenance of SRRA stations as per relevant national/ international protocols. The data collected at the SRRA field stations are transmitted to the CRS at MEDA, Pune & NIWE, Chennai and data is subjected to quality checks and is preserved safely at multiple locations both raw as well as processed data.

2. MEDA to disseminate limited data through website. The following information is made available on the MEDA website:

- i. A map showing all the SRRA stations
- ii. Sample data files for a station (MEDA SRRA station).

3. Data provided to parties would be for their exclusive use only and under no circumstances, these data, in full, part or in any other form, is to be disclosed / distributed / copied / reproduced / transferred to other agencies either electronically or in physical form. Parties procuring data need to submit an undertaking to this effect. Disclosed / distributed / copied / reproduced / transferred to other agencies either electronically or in physical form. Parties procuring data need to submit an undertaking to this effect.

4. MEDA will be the sole and exclusive owner of the data, both raw and processed received from all SRRA stations to the CRS at MEDA, Pune & NIWE, Chennai. Access to the data from SRRA stations will be guided by the following principles: Access to the day to day data to each SRRA site owner for their use subject to the specific signing of Non-Disclosure Agreement (NDA). Publication of data in any form will not be allowed, unless otherwise specified with written permission obtained from the MEDA.
