- Ref – 1) GR no. Apau-2007 /Pra.kra.693/Urja-7 dtd. 14/9/2008 Policy for Energy Generation from Non Conventional Energy Sources New Policy - 2008 Dated 14/10/2008
- 2) GR no. Pavan 2010/Pra.kra.134/Urja-7 dtd. 4/7/2010 Methodology Under New Policy - 2008 for Installation of Non Conventional Energy Projects Dated 14/7/2010
- 

Government of Maharashtra (GoM), vide above ref. 1 has declared a New Policy - 2008 dated 14/10/2008 for Energy Generation from Non Conventional Energy Sources. In this policy, GoM has fixed a target of 2000 MW for Wind Power Projects. Further, GoM vide above ref. 2 has declared a methodology for installation of Non Conventional Energy Projects under New Policy - 2008. Under GoM Policy 2008, provisions are made for reimbursement of 50% expenditure through Green Cess as subsidy for construction of Power Evacuation arrangement of Wind Power Projects commissioned under New Policy-2008. Meeting in this regard was arranged on 2<sup>nd</sup> March 2017.

The scrutiny committee has scrutinized five (5) proposals. Also it is made clear that this office has received only five proposals claiming refund.

The scrutiny and evaluation committee observed that only one developer i.e M/s. Panama Wind Energy Pvt. Ltd., has submitted the Investor NoC, 7/12 extract and TILR map ("ka" prat) of substation and WTGs locations and other requisite documents for reimbursement of 50% expenditure through Green Cess as subsidy for Power Evacuation arrangement of Wind Power Projects. In this meeting committee scrutinised / evaluated / recommended the applications / proposals and summarised the observations / suggestions (Annexure-1).

The summary of Scrutiny, Evaluation & recommendation report of the committee with respective applications / proposals has been put forth for comments / objections / say of all concerned. In this regard, all concerned are requested to submit their say / comments / objections if any in writing upto 31/3/2017.
