

Potential, Target & Achievement Details

S.N.	Programme/Policy	Potential	Achievement (till 2015-16)
Central Government Programmes:-			
1.	Biogas Power (off-grid) Programme for decentralized power generation applications and thermal applications during 2015-16	--	489.5 kW (35 projects)
2.	MNRE' Programme on Energy from Urban, Industrial and Agricultural Wastes/Residues		
	Industrial waste to energy & power projects	350 MW	24.828 MW (22 projects)
	Bio-CNG projects	--	41700 m ³ /day (03 projects)
	Biomass (non-bagasse) Cogeneration Projects	--	9400 kW (03 projects)
3.	MNRE' Biomass Gasifier Programme		9750 kW (04 projects)
State Government Programmes:-			
4.	**Comprehensive Policy on Decentralised (off-grid) Energy Generation Projects based on New & Renewable Energy (Non-conventional) Energy Sources-2016	--	
5.	State Govt.' Biomass briquette scheme	--	120 projects
